

# THE POWER OF WE

## The Power of WE

1 Samuel 22:1-2; 2 Samuel 23:10, 12 | January 4, 2026

**Let's let the phrase WE > ME guide our church family.**

**What does this group of mighty warriors teach us about how to be a church that understands WE > ME?**

1. Let's move in the direction the Lord is leading.
2. Let's move as a group.
3. Let's move with spiritual grit.

When we look at the story of David and his mighty warriors, we could say that they experienced revival and resilience. **That's what we are praying for in 2026.**

**As a church, we seek revival and resilience.**

# STUDY QUESTIONS

## GETTING STARTED:

When you think back on the past year, what's one word you would use to describe it spiritually? Why that word?

When you think about this new year, what's one word you hope will describe it spiritually? Why that word?

## A DEEPER DIVE:

- The sermon emphasized the phrase WE > ME. Where do you most naturally lean, toward WE or ME—and why do you think that is?
  - In what areas of life is it easiest for you to become isolated rather than stay connected?
- David's mighty warriors came to him "in distress, in debt, and discontent." Which of those do you most relate to heading into this season?
  - Why do you think people often believe they are the only ones struggling, even in church?
- Who has played a "David-like" role in your life, someone God used to bring you hope or direction during a difficult season?
- Where do you see God calling our church to live out a stronger WE mindset this year?
- How can small acts—like serving, adjusting schedules, or showing hospitality—be powerful expressions of spiritual maturity?
- What do you appreciate most about the life of our church, and what would it look like for you personally to fully invest in this church family??

## NEXT STEPS:

**Growth requires change.** What's one change God may be inviting you to make in order to grow spiritually this year?

What would it look like for you to move with others instead of trying to move forward alone?
