Community Day was a big success! We served 300 people with ice cream, hot dogs, and plenty of fun. Thank you to everyone who put in a long day and worked so hard to make it happen—we truly couldn't have done it without you.

We were blessed with many generous donations, and we're so grateful for every one of them. However, we still had some costs to cover—such as backpacks, food, and the animals for the event. If you feel led to give, it's not too late. Your gift would be such a blessing.

“Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.” – 1 Peter 4:10

The seasons of Renewal

Sermon Title: A Time to Reflect

Subtitle: Embracing Change and Finishing Strong

Main Scripture: Ecclesiastes 3:1-8

Overview: This Sermon will focus on the natural rhythm of seasons in our lives and the importance of reflection as summer ends. Ecclesiastes will remind us that there is a time for every purpose under heaven, and this can mean a time for introspection as we transition into a new phase.

KEY POINT:

Understanding that each season serves a purpose helps us embrace change without Fear

Four Practical ways to help us trust Jesus in every season in life

1. We must embrace God's Sovereignty
2. We must Seek Discernment
3. We must Live with Intentionality
4. We must find Balance
