Week 2

2019 Focused on Jesus

2019 can be a year filled with our own spiritual growth and disciple-making of others if we will seek the Lord Jesus wholeheartedly.

Making Disciples

Let's demystify discipleship by looking at Luke 5:1-11.

1. Making disciples of Jesus is like fishing in a stocked lake where there are many people willing to follow him. Peter said, "If you say so, I will."

2. Reverence for Jesus as God will lead us to repent of our sins. This is essential to being ALIVE in Jesus and qualified to make disciples of Jesus. Peter said, "Please leave me, I'm such a sinful man."

4. Jesus invited them to fish for people in a God-stocked world. They left everything and followed Him. Following Jesus includes making disciples- at his word, repentant of sin and no fear.

The Shoreline Church

The Shoreline Church of San Clemente is a fellowship designed by God for the purpose of helping people leave everything to follow Jesus together. We are a family of faith, alive to God's love, following Jesus together.
