Uncommon Choices Week 2

Review

Our choices matter to God and to our lives. They determine who we are today and who we are becoming tomorrow. So choose well.

Last week we learned to choose to be strong and courageous before the battle lest we fall.

Joshua led others into the Promised Land and we lead others into the promised life of Jesus. Battle well internally before externally!

Follow Well

Joshua chose to follow God's plan to overcome the impossible and God's word to cross the Jordan River in order to lead God's people. He chose to follow well in order to lead well.

Joshua Chapter 3:1-17 When God Leads The Way

The Ark of the Covenant

“Keep a clear distance between you and the Ark”

Proverbs 9:10 (NLT)

Fear of the Lord is the foundation of wisdom. Knowledge of the Holy One results in good judgment.

Our Uncommon Choice

In order to lead a Life of *INFLUENCE* and *IMPACT* for the Lord and His kingdom we must make the uncommon choice to be the first to take a step of faith.

Our First Step of Faith

1. We put our faith in the Lord Jesus Christ.

The Lord will deliver us from sin and death and into abundant life through faith in the finished work of Jesus Christ. He overcomes the impossible!

The Next Steps of Faith

2. We face difficulties by trusting in God. They faced the rushing waters of the Jordan by faith. We must choose to move forward in faith even if it is difficult. We must trust God by faith to move mountains and proceed as far as we can in this life depending upon His ability and not our own.

Real Faith/Real Action

3. We must choose to be the first to step out in faith! Real faith steps out into the water, into the real action.
