

# Life Over Death

May 5th, 2019

# Old Hope aka *The World's Hope*

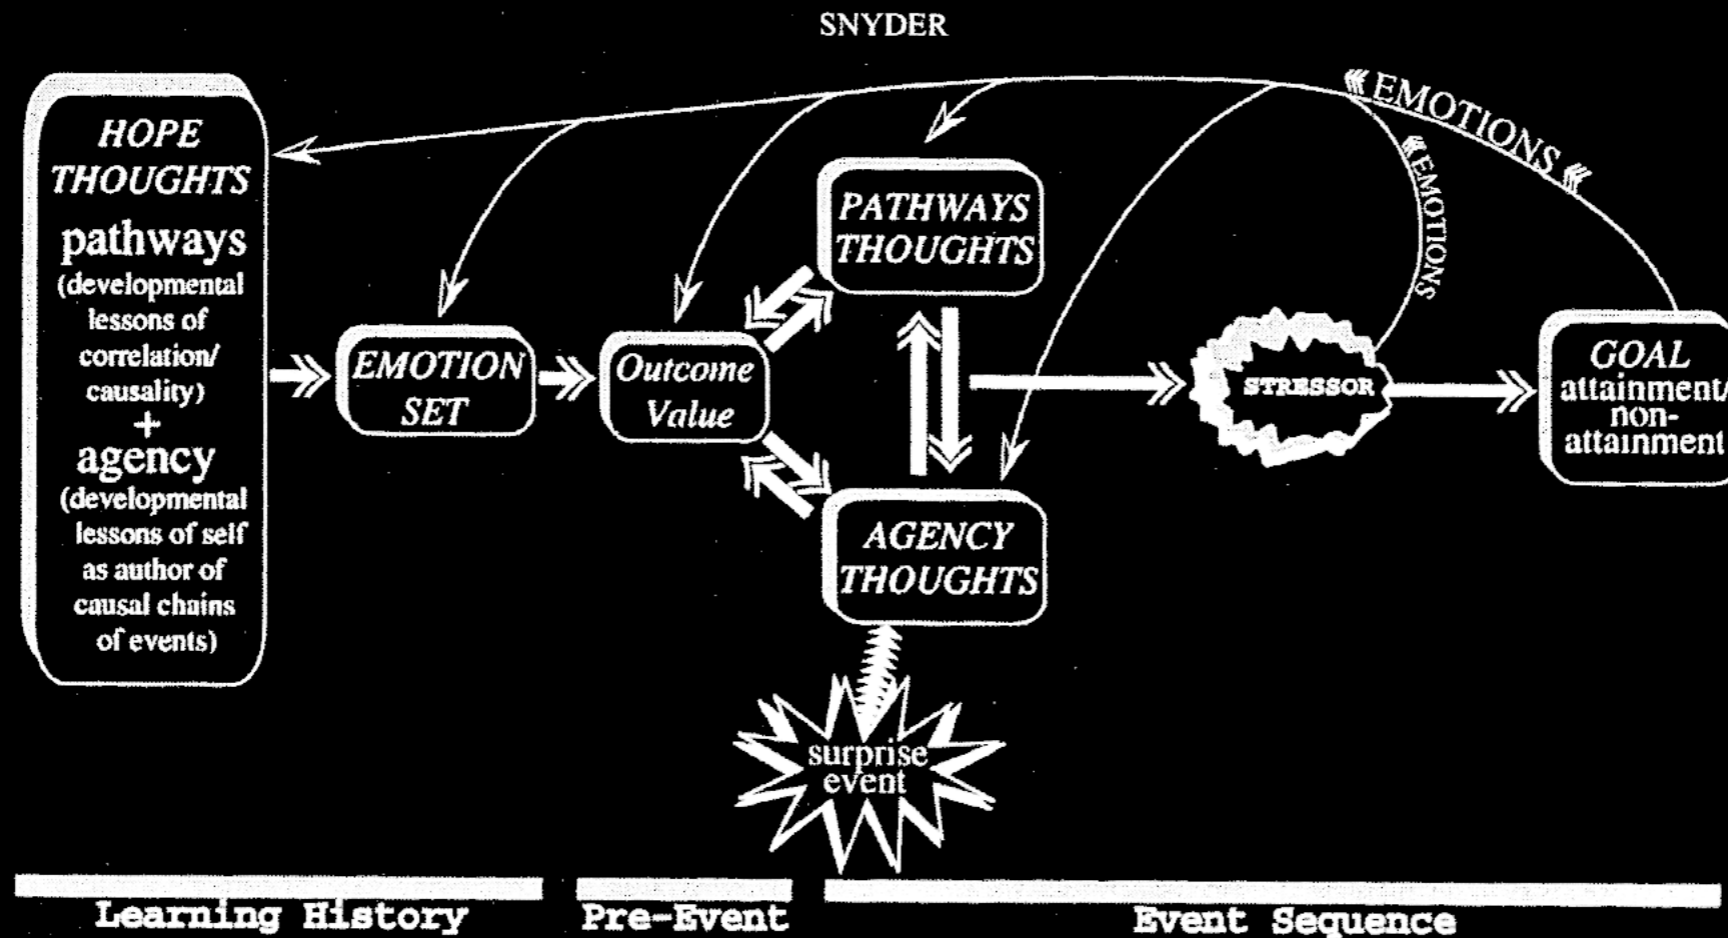

“Hope is 90% emotion and 10% illusion. It shapes our lives, and even gives them subjective value. Illusions, like placebos, can be good for you.”

- Alex Rosenberg

“Hope is the sum of perceived capabilities to produce routes to desired goals, along with the perceived motivation to use those routes.”

- C.R. Snyder
