Colossians 2:1-7

Colossians 2:1

For whom do you struggle, even agonize, in prayer?

Colossians 2:2-4

In what situation(s) do you need to be filled with courage?

To whom do you need to give encouragement?

Would you say that you rely on God's wisdom and Word, rather than the world's values to guide you?

If so, how? If not, what practical behavior can you start or stop to *more fully follow hard* after God *this week*?

Response:

Go to the crosses during the worship/response time (as an individual or with your family) for prayer, anointing, kneeling in confession, or communion.
