NOTES:

HOPE: God Wants to Use You

*I pray that God, the source of hope, will fill you completely with joy and peace because you trust in him. Then you will overflow with confident hope through the power of the Holy Spirit.
Romans 15:13*

Called to Carry Hope

1. As followers of Jesus we are called to see hope in hopeless situations. *Luke 7:11-17*
2. God's plan for the world is that the Church would live and carry the Gospel of Hope. *Luke 7:18-23, Acts 1:8, 1 John 2:6*

Prerequisites for Hope

1. We have to take ownership of our own hope in God so that he can use us to bring hope to others!
2. We have to believe God wants to use us. *Acts 1:8*
3. God has given us all hope to that which we were called. *Ephesians 1:18*
