

God's Grace

Week 4 Homework

Preparing for the Study

1. Begin with prayer.
2. Read Genesis Chapters 11-15

Observations

1. Use Gen 10:6-10 to find out who built Babel in the land of Shinar and what was his relationship to one of the sons of Noah?
2. They built a city and a tower (Genesis 11:1-4). Was that obeying God's command in Genesis 9:1?
3. Why did they want to build a tower based on Genesis 11:4?
4. How did God make them obey His command in Gen 9:1 to fill the earth? Gen 11:5-9
5. What did God promise Abram in Gen 12:1-3? What else did God promise in Gen 12:7?
6. In Gen 12:10-13 what was Abram's fear and how did he solve it? By trusting God?
7. What happened to Abram after he deceived the Egyptians in Gen 12:14-20?
8. Read Gen 13:1-13. Why did Abram and Lot separate? Where did Lot choose to live?
9. Gen 14 Lot and all of Sodom and Gomorrah were taken captive. Abram defeated his captors. Who blessed Abram and what did Abram give to him? Gen 14:18-20
10. What did Abram believe in Gen 15:6 and what was God's response?
11. The Lord promised Abram land to possess in Gen 15:7. What did God do to confirm this promise of the land? Gen 15:7-18
12. What did God tell Abram would happen in the future in Gen 15:13-16?

Let's think a little deeper

1. Believers are called sons of Abraham. Read Galatians 3:1-14. List all the big ideas that come from Paul to the church in Galatia that tie us to Abraham even though we as gentiles are not blood relatives.
2. Based on Gen 15:6 how are people who lived during the times of the Old Testament saved? Is it different today?
