

James 5:13-20

Prayer of faith helps me lay down my sin.

Confession helps me to leave it.

Things that keep our prayers from being effective:

1) Grudges

Mark 11:25

2) Sin

Psalms 66:18

3) More important things in my life.

Ezekiel 14:3

To anchor ourselves we must have a commitment to:

Praise

Do you spend time in praise every day?

Prayer

Is your prayer life powerful?

Confession

Who do you have in your life that you can confess to?

Community

Are you willing to help those who are drifting?

What is the Holy Spirit saying to me right now?
