**The Impacting Church**  
The Full Gospel Church

---

John 17:20-22

Now the evidence of His presence is seen in the relationship between believers.

My part in an impacting church:

- 1) I will take the responsibility of His glory serious.
- 2) I will work for the right attitude.
- 3) I will participate in the process.

The only way people will know that Jesus is real is by what we do together.

What is the Holy Spirit saying to me right now?
