Book of James

The Invitation

James 2:14-26

Faith is not only believing in spite of **evidence**.

Faith is obeying in spite of **consequence**.

2 types of faith mentioned:

1) Dead faith

Useless faith

No change

Gives lip service

2) Deceived faith

Knowledge but not change

Awareness but no obedience

No real love for Jesus

3) Real Faith

Gives what's being asked

Steps out despite the risk

All of God's calls are an **invitation to a deeper life**.

What is the Holy Spirit saying to me right now?
