

## Running with the Giants

Joseph

---

Genesis 37:5-7; 19-20

When life isn't turning out like you planned...

“Don't **give up on your dreams.**”

Don't give up on your dreams:

- 1) Even if you don't **start off well.**
- 2) Even if those close don't **support you.**
- 3) Even if the journey is full of **surprises.**
- 4) Even if it takes **a long time to get there.**

### Final parting encouragement:

- Focus on what happens in you, not to you.
- Your response to offense determines your future.
- Every dream has tough times.  
Remember God is with you.
- Let God **open doors**, don't try to do it yourself.

What is the Holy Spirit saying to me right now?
