

Exodus 12:11-14, 21-23

You cannot understand His plan if you do not understand His purpose.

Exodus is the ongoing reminder:

- Our struggle to walk in freedom.
- God's provision for us.

Egypt: Boundaries

Communion questions:

What boundary is God wanting me to Passover?

What is He trying to set me free from?

Blood/Juice/Wine - All I need is provided.

Bread - Commitment to action.

What is the Holy Spirit saying to me right now?
