### Faith and Trials Part 2

James 1:19-27

Quick to Listen:

Faith allows me to know there is more going on around me than what I see.

Slow to Speak:

Words can divide friends, bring death, stir up conflict.

Slow to Anger:

Faith gives me a practical course of action when things are turned upside down.

In trials, don't just pray for safety, pray for purity.

Authentic faith must change:

1) How I talk.

Control

2) How I treat people.

Compassion

3) What influences me.

Purity

What is the Holy Spirit saying to me right now?
