You Oughta Know

Peace

John 14:27

Psalm 23

Problems are real, His **peace** is His response.

Peace:

- 1) Is about influence.
Rooted in the **word**.
Godly **council**.

- 2) Comes from **confidence**.
Jesus is my only **life**.

- 3) Is prompted by **worship**.

What is the Holy Spirit saying to me right now?
