

## Sermon Supplement

### Ephesians 4:1-16 – *Bearing with One Another in Love*

#### UNDERSTANDING THE PASSAGE

---

1. **Main Idea of the Passage:** As a consequence of God's great plan of salvation, Paul calls believers to walk in a manner worthy of their calling as one new person by reflecting God's spiritual unity. This unity is accomplished through Christ's victorious gifts, which he gives to build up His body, the church. The resulting unity is an essential and natural fruit of the faith that believers profess, but it must also be maintained by building one another up in love.
2. **Melodic Line of the Letter:** The two become one for His glory. God the Father, through God the Son, by the power and presence of God the Spirit, is making a multi-ethnic people for the purpose of His glory, based in his eternal plan, in this final age.

3. **Equip** – associated with the medical term for setting a broken bone, to make something right, to prepare someone through training and discipline; in Eph. 4, for the work of ministry.
4. **Maturity** – associated with the idea of 'fullness' – absolute wholeness, the fullness of God; the goal of the discipling ministry of the church, that people might become mature, attaining to "the measure of the stature of the fullness of Christ (4:13)."
