Purity in Your Marriage

Defending Your Marriage

7/2/24

Sticky Statement: Holiness of heart leads to Holiness of life.

Passage: Hebrews 12:14

Holiness

is not a single attribute of God but a combination of all the moral attributes of God. Goodness, justice, truthfulness, etc, all of which may be expressed in one word, holiness.

We must have an intimate relationship with God in order for us to be able to build Holiness in our marriages, as Holiness is a supernatural production.

Three steps to build purity and our marriages.

- 1. We must separate ourselves from the world.**
- 2. We must consecrate ourselves unto God.**
- 3. We must confront sin in our lives.**

As we grow in love towards God we will also grow in our hatred of sin, which means that we will have a greater defense. That will lead us to purity in our lives and ultimately our marriages.
