“THE GARDEN SURRENDER” - Matthew 26:30-46

Justin Richter

Discussion Questions:

1. Does this story of Jesus in the garden change how you perceive and understand His humanity? How so?
2. Hebrews 4:15 says that we do not have a high priest who is unable to sympathize with our weaknesses. Jesus knows what it's like to suffer and sorrow and dread. Why is that important to remember throughout our life here on the earth?
3. Talk through the importance of having companions by your side when you are suffering or going through something difficult. How can the Church respond well to this? What would that look like?
  - a. Are there things going on in your life that we can be present and praying for?
4. How have you been "spiritually asleep"? How come it's so easy to doze off and what can you do to "wake up"?
5. Jesus goes from this garden to the grave in less than 24 hours for you and for me. Maybe close your time together with prayers of thanksgiving. Not giving Jesus your list of requests, but just a time to say thank you.
