

What did the Lord speak to you this weekend during the worship, kids fine arts, or message?

Read John 1.1-14

1. Why do you think John started his Gospel with these words and not something else like the birth of Christ?

2. We are to know Jesus three ways

By Salvation

By experience in daily friendship

By revelation

Can you remember first really knowing Christ? What was that like? How is Jesus being revealed more to you?

3. The purpose of John's Gospel is found in John 20.30, 31. Read this and restate the purpose of John.
(This is the purpose of my sermon series on John 1 also NE)

4. John 1.1-3 describes Jesus in what ways?

5. Jesus is called the "Word". Read John 1.14. How do we know this is true?

6. What is the incarnation?

7. The Greek word "logos" means "word" Pastor Nate gave some reasons why John used the Word Logos. Do you remember them?

8. Pastor Nate described some events they show us God the Father, through Jesus the LOGOS. What are some of them and what do they tell you about the character of Father?

9. Pastor Nate talked about other words trying to steer our life other than "Logos". What are they and are they true.

10. Read John 17.1-3. How do we have eternal life? How do we know God according to these verses?

11. How can we know Jesus deeper, with more understanding, with a closer relationship?

Close in prayer, praying that we would know Christ, thus knowing our Father.
