

SOLO 1

The Wise Men were watching and praying  
For heavenly signs of His birth

SOLO 2

They followed the starlight  
Through long days and dark nights  
To worship the Lord of the Earth

CHORUS - If miles lay between us, then I'd walk to Jesus  
O'er mountain and desert, I'd follow that star  
But He doesn't ask us to journey so far  
For He will be with us wherever we are  
When we seek Him

SOLO 1

Like Wise Men, I'm seeking the Savior  
By learning and living His ways

SOLO 2

His light shines inside me  
Like starlight it guides me

BOTH

Closer to Him every day

CHORUS

If miles lay between us, then I'd walk to Jesus  
O'er mountain and desert, I'd follow that star  
But He doesn't ask us to journey so far  
For He will be with us wherever we are  
When we seek Him

I don't have gold to lay down before Him  
But I'll give my heart to show I adore Him

SOLO 1

If miles lay between us, then I'd walk to Jesus

ALL

O'er mountain and desert, I'd follow that star  
But He doesn't ask us to journey so far  
For He will be with us wherever we are  
When we seek Him

When we seek Him
