Big rock so far in Genesis

God is able to _____.

Esau and The Edomites

1. God did _____.
2. Esau is a guy who has no excuses. That shows us the problem is not just that people lack _____, but the problem is really _____.
3. For Christians, this life is as close as we will ever get to _____. For non-Christians, this life is as close as they will ever get to _____.

2 kinds of grace

_____ grace goes to those who receive Jesus into their life and makes eternity better.

_____ grace goes out to everybody and makes this life better.

MY NEXT STEP TODAY IS TO:

- Read Genesis 36.
- Thank God for His common grace.
- If you haven't, receive God's saving grace.
- Share God's saving grace with someone this week.
- Looking back at your notes from this week's teaching, was there anything that particularly caught your attention, challenged, or confused you?
- Give God control of my life.

We exist to help turn unbelievers into believers and believers into fully devoted followers of Jesus Christ.
