Thriving in Adversity"

Text: Genesis 39

In God, we can survive and even thrive in adversity

Four choices that help us thrive in adversity

1. Stay _____ on God.

2. Be _____ in all you do.

3. Maintain a high degree of _____

4. _____

MY NEXT STEP TODAY IS TO:

- Read Genesis 39 and memorize a key verse(s).
- Choose to lean more into God as my circumstances press harder and harder on me
- Choose to be diligent by "doing more than asked, better than expected"
- Choose to maintain/increase my integrity by resisting a current temptation
- Choose to persevere by accepting that I can't handle this circumstance on my own and trusting in God's goodness and power to get me through it
