June 28, 2015

Dave Irwin, Pastor of Ministry

Series: "Genesis" - Part 34 of 46

Message: "Jacob Returns Home: God's Faithfulness"

Text: Genesis 35

God's faithfulness is measured in the long-term
more than the short-term.

1. God's faithfulness _____.

2. God's faithfulness _____.

3. God's faithfulness can be _____.

Handling doubt when it creeps in

1. _____ and _____
on Scripture.

2. Find a way to _____ what God does.

3. Look for _____ as much as completion.

MY NEXT STEP TODAY IS TO:

- I will use an online Bible (ex. www.biblegateway.com) or concordance to find and study passages that talk about God's faithfulness.
- I will find a way to remember the ways God has been faithful to me (journal, sand timer, etc.).
- I will memorize a passage that will be my mantra when I face doubts about God's faithfulness.
