IGNITING THE MOVEMENT

November 7, 2021

Dave Irwin, Pastor of Ministry

Series: "Igniting the Movement"- Part 14 of 17

Message: "See and Do"

Main text: Acts 5:17-42

Big idea: When we are firmly rooted in the origins of our movement, we can be the 21st Century expression of everything God ignited in the 1st Century.

Living out our roots

1. We should live with _____ to God.
2. We should live with the _____ of a Jesus-centered life.
3. We need to have an _____ cost analysis.

When we live out our roots...

1. We will experience God's _____ at work.
2. We will experience _____.

MY NEXT STEP TODAY IS TO:

- Join God's disciple making movement by putting my trust in Jesus today.
- Practice a more radical obedience to God, obeying boldly and immediately.
- Order my life so that it is more consumed with Jesus-centered rhythms.
- Ask God to help me develop that irrational cost analysis OR ask Him to give me the courage to make that irrational risk for the gospel of Jesus.
- Read Acts 6:8-15 in preparation for next week.
