Testings

(See James 1:2-5,12)

1. A test or a trial is a God given opportunity for you to practice and thereby test your _____ with the Lord.
2. Followers of Christ will _____.
3. God's tests are designed to _____ us, never to _____ us.
4. Judah now is starting to think like Jesus and is willing to _____ himself for Benjamin.

Final thoughts

1. God _____ people.
2. God changes _____.
3. God changes _____ to _____.

MY NEXT STEP TODAY IS TO:

- Read Genesis 44-45.
- Identify how a test/trial has grown your faith.
- Is there a person in your life who you do not trust because of a past injury? If it is safe, what steps can you take toward forgiveness and reconciliation?
- How can you prove yourself trustworthy to others?
- Give God control of my life.

We exist to help turn unbelievers into believers and believers into fully devoted followers of Jesus Christ.
