

# AWAY IN A MANGER DICE GAME

## Directions:

Print the chart, manger, and Bible people. Cut out the people.  
Roll the die. Look at the chart to see which person you rolled and put  
him/her in the manger.  
Keep rolling. When all of the people are in the manger, you win!

## Tips:

Let your child arrange the people in any order they choose.  
Talk about the people as you put them in the manger. Why are they  
important?  
When you roll a 6, you can put all of the Wise Men in at once or roll a 6  
three different times to get all of the wise men.
