Nov 9 - Acts - Now What?

- 1) Talk about your own life:
 - what was the Lord doing inside you to create unrest, need, searching?
 - who did the Lord use (people) to lead you Christ-ward?
 - how did coming to Christ change you?...how are you different now?
- 2) Troubles are part of life –God is bigger, and wants to use troubles to glorify Himself. How does this change your attitude toward unwanted troubles in your own life?...
- 3) Who is someone in your life that does not yet know the Lord?....
- 4) What can you do this week?.....pray – invite the Holy Spirit to move in their lives..and to use you.
