Oct 26 - Acts 2:42

1) The sermon talked about how we prefer to be in control....and instead pastor Paul mentioned leaving “God room”... where we cannot control or do it by ourselves.

- What is the “God room” in your own life?
- What is the “God room” for us at Crosstown?

2) From the list below – circle which are GOD’s part.. and underline which are OUR part:
