

OVERCOME

THE VICTORY THAT
CHANGED EVERYTHING

Week 4

LASLOMASCC.COM

29 Willow Rd. Royal Oaks, CA 95076

This week we celebrated the resurrection of Jesus and learned that what seemed like the end became victory. The empty tomb shows us that God brings life where there once was death.

Discussion Questions

1. The Stone Represents What Seems Impossible (Mark 16:3–4)

- What “stones” in life can feel too heavy or impossible to move on our own?
- Why do you think God often works on our problems before we even arrive at them?
- How can trusting God change the way we approach situations that feel overwhelming?

2. The Empty Tomb Changes Everything (Mark 16:5–6)

- Why is the resurrection essential to our faith as believers?
- What does it mean personally that sin, death, and the grave have been defeated?
- How does the truth of the empty tomb reshape how we see our past, present, and future?

3. The Resurrection Calls for a Response (Mark 16:7)

- Why is it impossible to remain neutral about the resurrection of Jesus?
- What does it practically look like to “go, tell, and follow” in your daily life?
- How can we move from simply believing in the resurrection to living in its power?

LIVING IT OUT

Take time this week to reflect and respond to what the Holy Spirit revealed through the message.

- ***What “stone” in your life do you need to trust God with this week?***- Write it down and pray over it daily.
- ***Where do you need to begin living like the resurrection is true?*** (Example: freedom from guilt, bold faith, renewed hope)
- ***What is one step of obedience God is asking you to take in response to the resurrection?*** - Write it down and commit to act on it this week.
