# LIVING IT OUT SECTION

---

While "Unwrapping the Gift of Redemption," it's important to find ways to live them out in our daily lives.

To help you apply this study to your life, you can:

- **Focus** on being adopted as Sons and Daughters: Spend time in prayer, meditating on what it means to be 'adopted as sons' through Christ. Write a personal commitment on how you can live out this identity in your daily life.
- **Take the Faith Deepening Challenge**: Identify one area in your life where you need to exercise more faith. Set a practical goal for the week to cultivate deeper faith in this area, whether it's through prayer, scripture reading, or seeking counsel.
- **Practice the Daily Living Challenge**: Each day, choose one specific action to live out the gift of redemption – it could be showing kindness to a stranger, being patient in a challenging situation, or offering forgiveness where it's needed.

Remember that the journey of faith is a continuous one. It's not about perfection but about growing closer to God and reflecting His love and grace in our lives.

Unwrapping the gift of redemption is a daily process that involves gratitude, reflection, and active application of our faith.
