**The sermon talked about grace being an undeserved gift from God.**

- How does understanding grace challenge that tendency?

**Ephesians 2:8–9 teaches we can't earn salvation through good works.**

- Have you ever felt pressure to try to work your way to God?
- What does relying on grace teach us about legalism?

**Exodus 34: 6–7 reveals God's gracious, merciful character.**

- How have you experienced God's patience, compassion, or forgiveness in your life? How can remembering this help us extend grace to others?

**2 Corinthians 1 encourages us to comfort others with the comfort God has given us.**

- What is a way you can extend the grace, mercy and comfort you've received from God to someone who needs it right now?

# LIVING IT OUT SECTION

---

As you continue to reflect on God's grace, consider these action steps:

- **Thank God** daily for the grace He has lavished on you. Spend time in prayer expressing your gratitude.
- **Examine areas** where you may be relying on personal effort rather than resting in God's grace. Surrender control to Him.
- **Extend grace** to someone who has hurt or offended you. Choose to forgive as you've been forgiven.
- **Share your story** of grace with someone who needs encouragement this week. Comfort others as God has comforted you.
- **Ask the Holy Spirit** to reveal any hidden sins or idols that need to be confessed and cleansed by His grace.

Remember to stand in awe of God's gift of grace, allowing it to transform how we live each day.
