

## QUESTION/REFLECTION:

Ninevah seemed like a hopeless situation. The city was so large and the sin so great. What could one messenger do? But with God all things are possible. Sometimes there are situations and places that seem beyond our ability to bring change to. But with God all things are possible. This week we are going to be praying into and bringing the love and light of His Kingdom to our school systems. Even one person praying and sharing His message of truth and hope can change everything.

## PRAY:

- Thank God that there is no place too hard for Him to redeem.
- Repent for the sins of our country in the ways we have shut God and His truth out of our school systems.
- Ask God to impart His wisdom to teachers and student. Ask God that those in the school systems would once again love His truth and walk in His ways.

## VERSES TO DECLARE:

- Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge Him, and He will make straight your paths. - Proverbs 3:5-6
- "All your children shall be taught by the Lord, and great shall be the peace of your children." - Isaiah 54:13

## GO AND SHINE:

Find ways to pray for and encourage those in the school systems. Pray for the schools in your city or even walk around them and pray with your family. Pray for the teachers, administrators, and governing bodies. Write a note of encouragement to a teacher or give them a gift of appreciation. Volunteer in your child's classroom, and when you are there speak life into the kids and pray for them.
