Discussion Questions for Reflection:

1. Where have you gotten casual with God without realizing you were on “holy ground” in worship, Bible study, prayer, etc.?
2. Take time to read through/recite the Lord’s Prayer in Matthew 6:9-13. Read it slowly instead of rushing through it. How does this change the way you worship in prayer?

3. What promises/vows have you made to God that you've quietly let expire?
What's one small step you can take toward honoring it again?

4. Has your fear of God ever moved you towards action? Or has it stayed private?
