

THE SAMURAI COWBOY

Psalm 94.1-15

GOD AS VINDICATOR

- Vengeance is not God's temper tantrum, but His burning passion for justice.
- We ache for God to act because we live in a world where evil feels unchecked.

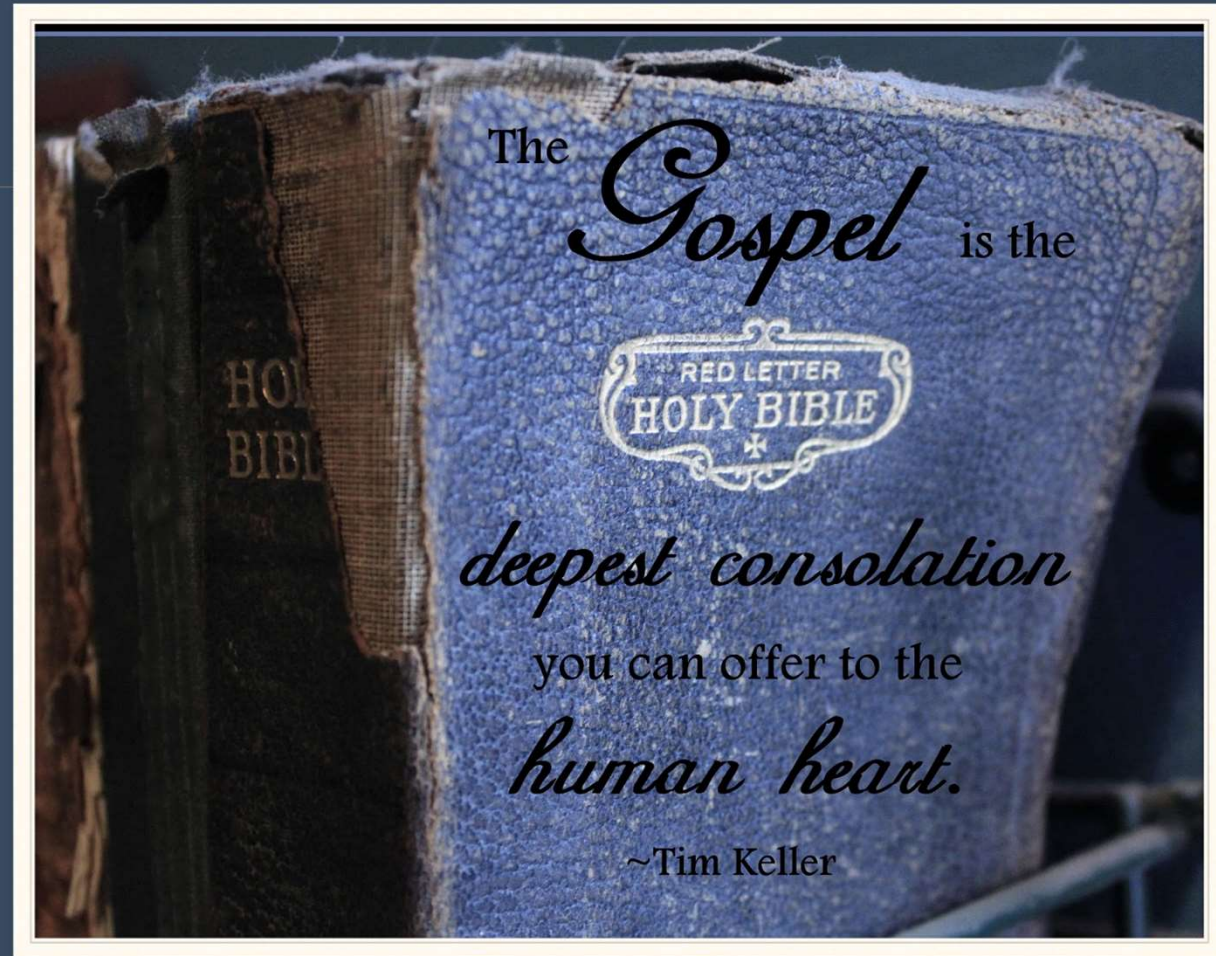

GOD AS TEACHER

- God is listening, and actively working good in this world.
- Faith means reorienting from appearance to God's long view - He does not forsake His people.

GOD AS REFUGE

- When no one else will stand with us, God Himself rises as our defender.
- Trust means resting in His refuge, even as He confronts the wicked with final judgment.

**IN CHRIST, OUR
GOD OF
VENGEANCE IS
OUR GOD OF
COMFORT**
