

Seeking Renewal Through Prayer

Psalm 17:6-9

Pray from Weakness

Life in the presence of God shapes the followers of God

- We are invited to bring our concerns and worries to God.
- Praying to God orients our lives around God.

He gives
STRENGTH
to the weary
and increases the
POWER
of the weak.

Isaiah 40:29

Pray Boldly

The followers of God find the rescue of God in the promises of God

- The promises of God to His people mean something to His individual followers.
- The promises of God bring life in the face of immense threat.

Keep me as the
APPLE OF YOUR EYE;
HIDE ME
in the shadow of Your wings.

Psalm 17:8 NIV

Pray with Expectation

We should seek rescue in God, in all its forms.

- God invites us to speak to Him in imperatives.
- Regardless of His answer, the presence of God brings us our ultimate satisfaction.
