

God's Presence in the Present

Exodus 6.1-8

1

God's Presence Reframes Our Past

- The answer to Moses' questions is the presence of a sovereign God.
- God's activity gives him a new understanding of Him.

2

God's Presence Reframes Our Future

- God brings liberation to his people.
- God establishes relationship with his people.
- God gives his people a home.

3

God's Presence Sustains In Our Present.

- The struggle is to trust God's presence when worn down by life.
- Part of the answer is to remember God's faithfulness in the midst of the struggle.

4

God's Presence in Exodus Frames Our Life in Christ

- We have liberation in Christ.
- We are in Christ and adopted as God's children.
- He gives His children a home.
