**GOD'S STORY FREES  
US TO LAMENT WITH  
PURPOSE**

Our story is about God.  
 God is the source of our solution, even when God is the problem.  
 Lament is a journey of faith through our struggles.  
 Prayer is our means of opposition against suffering, sin and death.

**GOD'S STORY IS ONE  
OF LOVE IN THE MIDST  
OF SUFFERING**

God's covenant love is the most important factor in our relationship with Him.  
 God's love sustains us when we are at the end of ourselves.

**GOD'S LOVE LEADS US TO TRIUMPH IN SUFFERING**

God's love changes us, whether in changes of circumstances or through our change of heart

**THE GOSPEL ACCORDING TO PSALM 6**

Jesus' way of suffering enables our journey of joy, even through suffering.

The gospel is the triumph of God's covenant love through God's wrath in God's timing.
