

Singing in the Wilderness

Exodus 15.22-27

1

We Sing Because...

- God is supremely powerful.
- God is righteous.
- God is our redeemer.
- God leads His people in steadfast love.
- God calls all of His people to sing.

2

Singing in the Wilderness

- The wilderness is the place of testing for the people of God.
- The wilderness exposes the gods that compete within us.
- The wilderness is the place where God provides.
- In the wilderness is the place where we learn to trust God's word and his ways.

3

Bring the song of salvation
into the wilderness.
