---

### The Incarnation is our Foundation

- The incarnation grounds our faith in historical reality.
- The incarnation is a beginning point for understanding our world.
- In the incarnation, life was revealed.
- The result of that revealed life is joyful fellowship.

---

---

### Ours is a Dependent Faith

- God is the light that draws us.
- Living in the light leads us to a fellowship of dependent faith.
- Christ is the source of dependent joy.
