

Finding the Third Way

Exodus 17.1-7

1

Water From the Rock

- God leads us into times of testing.
- In our sin, we often respond to God’s testing with rebellion.
- We need grace in response to our rebellion.
- This grace is what we have in Christ.

2

Fighting the Battles

- Battles come for God’s people that we must fight.
- That fight doesn’t happen in our strength, but in God’s strength.
- In our battles, we are to help each other lift God up, rather than ourselves.

3

Let the water from the Rock be your
strength in the battles He leads you to
fight for His glory.
