

Who Belongs?

Psalm 15

The Question

- Who is fit to be in the presence of God?
- The questions move us from the tabernacle to Eden.
- We are outsiders who need to be resident aliens, longing for a home.

The Answer

- Surprise 1: The focus is on ethics, not religious ritual.
- Surprise 2: The ethics are about the heart, not mere externals.

The Promise

• Surprise 3: The end result is a spirit of security for God's people.

Only the gospel can make us into the kind of people we need to become.
