

Fear

- Fear needs to drive us to recognize our need for grace.
- Struggles need to help us see our real enemy.

The greatest trick the devil ever pulled was convincing the world he doesn't exist.

(Charles Baudelaire)

Faith

- The center of our faith is God's word.
- God's commitment to His people is profoundly personal.
- God's work animates our lives in hope.

A tranquil scene of a sunset or sunrise over a calm body of water. The sky is a mix of soft pinks, purples, and blues, with wispy clouds. The water perfectly reflects the colors of the sky, creating a mirror-like effect. The shoreline is visible in the foreground, with some rocks and vegetation.

Don't be afraid of fear,
but come closer to the
one who has already
come close to you.
