Sometimes we are not aware of certain religious beliefs that harm us. This class will look at some of these beliefs, where they came from, why they are harmful, and characteristics that make us more vulnerable to these.

Christian Civics: Following Jesus in a Politically—Divided World (Gary Tiffin)

This class will use a book by John Whittaker to help participants work out how their personal faith should inform the way they think and act as citizens of their country (This is about how to think, not what to think).

Speaking in Church—For Beginners (Pastor Matt)

This class is for anyone who is interested in taking on speaking roles in our church services. We will learn about the basics of public speaking, as well as the specifics of leading confession, prayers of the church, communion and offering meditations, and other speaking roles.

FAMILY CAMP

THEME: BACK TO OUR FIRST LOVE
Matthew Holmes is the Keynote Speaker

Are you looking for a time where you can get away with the whole family? How about a time where you and your family can grow in your faith and worship with other families? What about a sandy beach and a glassy lake? If all of these sound great, then Family Camp is for you! For four days, families come together for a camp experience for all ages!

2024 finds us in the heat of another national election. Yet, for us, the Church, our “first love” is to love God. A big part of this is realized through loving others, others defined as our neighbors around us and fellow Christians within our church. Loving God requires us to put Him above our loyalties to parties, cultures, movements, etc. Loving neighbors requires us to love the members of other parties and seek the good of everyone, not just the people we like. Loving Jesus requires us to create communities where people can disagree, yet be united in love.
