

“Is Jesus Really God?” John 1:1-14

Four points concerning Jesus Christ;

1. Jesus is \_\_\_\_\_, vv. 1,2,14,18.

Three facts in verse one that concern our Lord Jesus;

- A. He is eternal.
- B. He was and is a Person distinct from God the Father, yet one with Him.
- C. The Lord Jesus Christ is God.

2. Jesus is \_\_\_\_\_, vv. 3,10a.
3. Jesus is \_\_\_\_\_ and \_\_\_\_\_, vv. 4-9.
4. Jesus is \_\_\_\_\_ or \_\_\_\_\_, vv. 10-13.

Discussion Questions (that can be used for further study later):

- Why is it not enough to believe that Jesus is just a good person, but not deity?
- What is the significance of Jesus being the Light and Life?
- What is the practical difference between Christianity saying that it's done (that Jesus completed what was necessary), as compared to other religions that require doing things for salvation?
- What is the problem with believing that Jesus is just one of many ways to the end?
