- How did time spent with Jesus change John’s life?
- What kind of changes have you seen in your life since Christ saved you?
- How would you describe the love of God to someone?
- Practice speaking your testimony in just a minute or two. First, briefly describe your life before Christ, secondly, describe what moment it seemed to turn, third, list a few ways Jesus made a change in your life, and fourth, consider what your life would look like now without Christ.
- Pray that our walk through the Gospel of John would transform our lives and the lives of others.
