

Mythbuster #10, "The Bible Lacks Cohesiveness"

The Reliability of the Bible can be seen in the following:

1. Manuscripts.
 - a. Timespan between autographs and manuscripts.
 - b. Quantity of manuscripts.
 - c. Quality of manuscripts.
2. Archaeology.
3. Prophecy.
4. Statistics.

The Cohesiveness of the Bible can be seen in its constant theme "God's redemption of mankind."

Discussion Questions:

- What difference does it make or not as to whether the Bible is fully reliable?
- How does the cohesive nature of the Bible impact your trust in its theme and content?
- How does the creation account in Genesis set up the need for a restored relationship with God?
- Can you personally see the theme in every book of the Bible, *God's redemption of mankind*?
- How does the final sacrifice of Jesus tie back to the system of temple sacrifices in the Old Testament?
