

“Expressions of Love”

1. A mother’s love is _____.
2. A mother’s love is _____.
3. A mother’s love is _____.
4. A mother’s love is _____.

Discussion Questions:

- Recall an example of your mother’s love for each of the four qualities (if you cannot come up with those examples from your mother then recall an example from another mother).
- What is the significance of how God designed a woman different than man?
- Use Scripture (primarily some from John) to specifically describe how God’s love is beyond that of a mother’s.
- Provided your mother is still around, thank her this week for her faithful love. If she is not available, then thank God for her love and for His love.
