

# NEXUS Plan 2022-25

Who is the Center of the Community?

# What makes up our community?

**Political  
Systems**

**Academic  
Institutions**

**Families**

**Health  
Services**

**Economic  
Systems**

**What would it take  
for the **CROSS**  
to be our  
**CENTER?****

# Our Solution:

Over the next three years, The Cross will work to impact and strengthen the communities that surround us and beyond by...

**becoming an influential resource that points each of the following areas back to the Church with Christ at the center.**

# HEALTH

*Embracing a Christ-centered Lifestyle*

# HEALTH

It is our goal to provide a central location where surrounding residents can access sound, Christian-based resources for their mental, emotional, and physical needs. (1 Cor. 6:19-20)

*i.e. counseling & support groups, etc.*

# EDUCATION

*Uniting Education and Faith*

# EDUCATION

It is our goal to add to faith by advocating for and expanding access to quality education that draws students closer to our Omniscent God. (Proverbs 4:7)

*i.e. speaker series, college fairs, etc.*

# ECONOMICS

*Trusting God over Money*

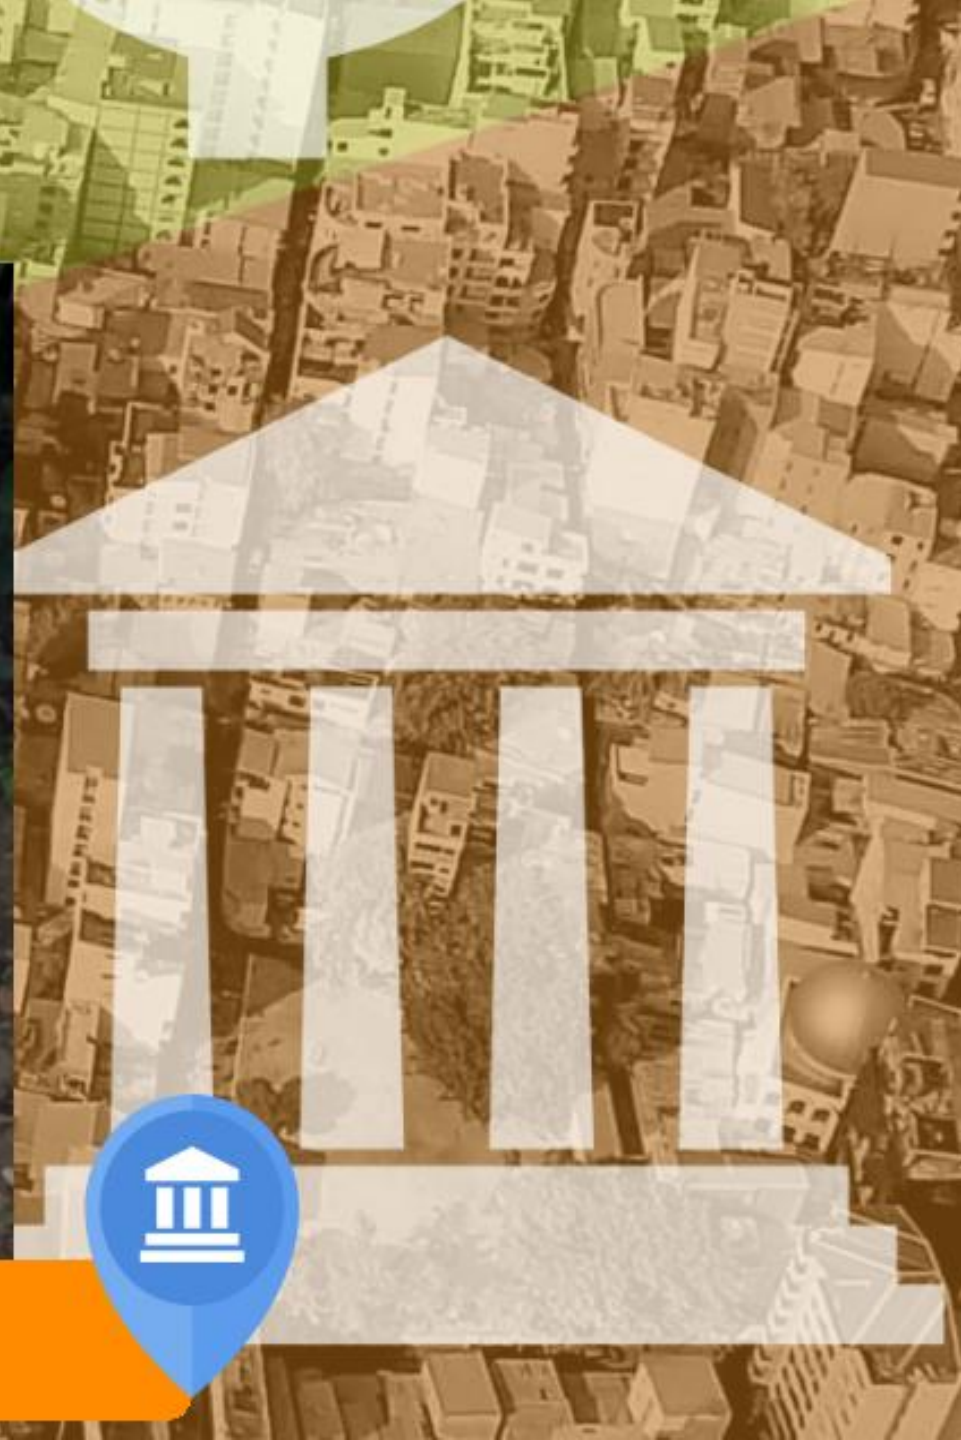

# ECONOMICS

It is our goal to help individuals and families be good stewards over whatever level of resources given by honoring God with what they have. (Deut. 8:18; Matt. 25:15)

*i.e. business training, investment lectures, etc.*

# GOVERNMENT

*Equipping the Community*

# GOVERNMENT

It is our goal to provide access to governmental officials, information on legislation and community issues in order to elevate the Cross as an effective community advocate. (Proverbs 29:2)

*i.e. voter registration, civic engagement resources, etc.*

# FAMILY

*Inspiring Christ-centered Families*

# FAMILY

It is our goal to provide resources and Godly wisdom to families that will inspire Christ-centered living.

(Genesis 28:14)

*i.e. pregnancy mobile clinic, seniors activities, sports programs, tutoring, etc.*
