

## How can Christians claim to have the one, true faith?

*Christ walked the way of the cross so He could open the narrow way of salvation for you.*

In the sermon Pastor Zach shared there are more than 4,200 recognized religions.

- What has your experience been on the superhighway of religion?

Read **Matthew 7:13-14**.

- What has been your understanding of this Scripture?
- How have you come to accept this Scripture in your own life?

Jesus is exclusive in **John 14:6**, when He says He is the ONLY way. But, He is not the only one who makes exclusive claims. We are all exclusive. The question is not am I being inclusive or exclusive, but how do I do exclusivity well?

Here are three questions we can ask of ourselves and of Jesus as we wrestle with today's question:

**Is my exclusivity helpful?**

**Is my exclusivity credible?**

**Is my exclusivity loving?**

The narrow way is not the easy way, but we see Jesus wrestle with this very idea in **Luke 22:42**. But, he not only asks, He also answers and then opens up the narrow way to you and me through His sacrifice on the cross.

Based on all the information shared, discuss the following questions:

- How might the three exclusivity questions shared help you to change your view on exclusivity and explain why Jesus is exclusive to others?
- Exclusive club is something that excludes people and an exclusive offer is an opportunity only one person can make. How does Jesus' exclusive offer of salvation challenge you and comfort you?
- In what way is Jesus calling you to take the narrow way today? What is your resistance?
- Read **Isaiah 30:21**. What hope does this bring you in light of the narrow path?
