"Tori, You have always been strong, hard working, determined, confident, and so smart! Always quick to help everyone, you have a servant heart for sure! You are brave, you are loyal, and you run your race with grace, happiness, dignity, and a double helping of competitive spirit. As you continue to seek higher education, and prepare yourself for His purposes, don't forget, He created you to reflect His light boldly, so keep shining wherever He leads you.
